

大気化学 × エアロゾル

Atmospheric Chemistry × Aerosols

From Sources to Atmospheric and Oceanic Impact

SEPTEMBER 18 (FRI.), 2026

16:30–18:00

広島大学 総合科学部 M棟 第三会議室

Room 3, Building M, School of Integrated Arts and Sciences
Hiroshima University

PROGRAM

16:30–16:35 Opening Remarks

Yoko Iwamoto · Hiroshima University

16:35–17:15

Dr. Dogushan Kilic

including Q&A

The University of Manchester

From Emissions to Atmospheric Impacts: Experimental and Modeling Perspectives on Combustion and Aerosols

17:15–17:35

Yoko Iwamoto

including Q&A

Hiroshima University

Seasonal Variation and Sources of Phosphate in Atmospheric Aerosols at a Suburban Site in Higashi-Hiroshima, Japan

17:35–17:55

Tey Cheng Yi

including Q&A

Hiroshima University

Aerosol Nutrient Inputs Enhance Primary Productivity and Alter Biogeochemistry in the Oligotrophic Western North Pacific

17:55–18:00 Closing Remarks

Yoko Iwamoto · Hiroshima University

All are welcome. 研究分野を問わず、皆さまのご参加をお待ちしています。
